

# CORPORATE APPLICATION

**Regional Membership.** Membership in the NMBC is open to corporations that are interested in supporting the work of the Council

- We wish to become a member of the Northwest Minority Business Council.
- Enclosed is our check for \$2,500.     Please call for credit card information

**Membership Requirements.** Corporations who belong to the Council agree to:

- Publish a policy statement encouraging the purchase of goods and services from minority owned firms.
- Develop and maintain a supplier diversity program.
- Develop and maintain a tracking system of minority business purchases.
- Report dollar purchases from Council members to the Council on a confidential basis.
- Participate in and support the activities of the Council.
- Pay annual dues as specified by the Council. Donate in-kind services, whenever possible, to reduce the expenses of the Council and expand its capabilities.

Technical and management assistance in the development of each of these requirements is available from Council members who are also in the various stages of developing a supplier diversity program.

**The Principal Representative** is the individual who represents the member at Council events, plans the supplier diversity program, and is the primary contact for minority firms contacting the member company for potential business:
